THE LGBTQ CENTER OC'S

INDIG BALL

Sponsorship Packet

Celebrating 55 Years of Queer Resilience, Visibility, and Voice.

In 1971, the LGBTQ Center Orange County began as a volunteer-led phone line—connecting isolated individuals with life-affirming support at a time when being out could mean violence, rejection, or arrest. Over five decades later, our Center has grown into a cornerstone institution providing more than 22,460 services annually, advocating for justice, equity, and joy for the LGBTQ+ community across Orange County.

In 2026, we celebrate our 55th anniversary with “55 Vibes: From Vinyl to Voice”—a retro-infused gala that honors the rich history of queer organizing while amplifying the voices, victories, and visibility that drive us forward. Inspired by the rhythm and resistance of the 1950s, this evening will feature historic tributes, and a powerful reminder: we are still spinning, still rising, and still creating spaces where LGBTQ+ lives are heard, held, and celebrated.

We invite our partners, sponsors, and community allies to join us in ensuring that this legacy continues to thrive—for the next 55 years and beyond.

OUR PROGRAMS AT A GLANCE

Supported by sponsorships like yours, our programs transform lives every day.

Mental Health Counseling & Wellness

Our counseling program provides individual, couples, family, and group therapy; delivered with cultural competency and LGBTQ+ affirmation. In 2024, 5,722 sessions were conducted, with 41% provided pro bono, ensuring access regardless of income.

Youth & Young Adult Programs

Supporting ages 10–26, we empower LGBTQIA+ youth through leadership training, academic support, social groups, and school-based GSAs. In 2024, we partnered with 37 schools, served 2,649 youth, and helped 421 student leaders grow their voice and power.

Health & Wellness Services

From free HIV/STI testing to linkages to care, we offer affirming, accessible services that prioritize prevention and whole-body wellbeing. Our Trans*itions Program celebrates gender diversity and offers culturally rooted support for trans and gender expansive people.

Immigration & Legal Support

Through education, legal clinics, and community navigation, we support over 5,000 LGBTQ+ immigrants annually. We provide bilingual services, citizenship classes, and resources for asylum seekers and undocumented community members.

Advocacy, Education & Cultural Competency

We speak out against hate, discrimination, and exclusion. Our team delivered 14 trainings to 756 individuals last year while also mobilizing for inclusive school policies, anti-bullying initiatives, and local civic action.

Community, Connection & Visibility

From the front desk to the festival stage, we offer responsive support and meaningful connections. In 2024 alone, our outreach team made over 16,600 direct community connections, and our front desk responded to 10,421 calls and emails, many from people reaching out for help for the very first time.
